

Dear Landlord,

We are sending this email to bring to your attention that over the past year the Victorian Government has been undertaking a review of laws relating to rental housing in Victoria entitled "Fairer Safer Housing".

The final Residential Tenancies Act Options Paper outlines a range of proposed changes which are very concerning and require an urgent response from landlords.

A brief summary of the changes can be [viewed here](#) and we urge you to have your say on these changes by Friday 17th February, 2017.

The full Fairer Safer Housing Options Discussion Paper which covers in detail the proposed changes can be [viewed here](#).

We encourage you to write to [Consumer Affairs Victoria](#), the [Minister for Consumer Affairs](#) and your local MP.

A template letter to assist with this is [attached](#).

Further details can be viewed on the REIV website at www.reiv.com.au
